Dear FOS Community,

It is with great pleasure that I take this opportunity to share some truly inspiring success stories from this academic year—stories that reflect the remarkable achievements and progress made by our entire school community.

Throughout the year, we have proudly hosted a variety of grade-level celebrations of learning. These events have provided invaluable platforms for our students to showcase their hard work and dedication. It was genuinely heartwarming to see such enthusiastic participation not only from the students but also from parents and teachers alike, coming together to celebrate and support one another. Numerous events took place throughout the year, which have been instrumental in fostering social connections among our students and their families. Our three summer programs have been organized to provide students with the best possible summer activities and left great feedback on their progress.

In keeping with our commitment to holistic education, we organised several leadership trips beyond Muscat, tailored to different age groups. Of particular note was the international trip to Spain, which offered a wealth of experiential learning opportunities outside the conventional classroom environment. Our field trips continue to be a vital part of the OPIS learning experience. With careful planning and meticulous supervision, we ensured these excursions were both safe and enriching. A plethora of field trips were arranged across various grade levels, significantly enhancing student engagement and experiential learning.

Looking forward, the upcoming PYP and MYP Authorisation visit scheduled for 2025 stands as a monumental milestone for FOS. Achieving accreditation from the International Baccalaureate Organisation will undoubtedly elevate the educational standards and opportunities available at our school.

In closing, I wish to extend my deepest gratitude to our students, teachers, administrators, parents, and school owners. Your unwavering support and dedication have been the cornerstone of our success, allowing us to not only meet but exceed expectations. Together, we have achieved extraordinary results and laid a strong foundation for continued growth and excellence.

This year, at Finland Oman School, we have embarked on a remarkable journey together. From the very first day, we've grown stronger as a community, united by curiosity, respect, and a shared love for learning. We took our first bold steps toward building an IB school from the ground up—introducing the PYP and MYP Years 2 and 3. It wasn't always easy, but together we embraced the challenge, learned side by side, and supported each other through every milestone. This year will always hold a special place in our hearts – the year we planted the seeds of something truly extraordinary. Here's to the memories we've made and to a horizon full of dreams that cross all borders.

في كل عام دراسي نخطو خطوات وثيقة نحو تعزيز مكانة اللغة العربية في نفوس طلابنا وطالباتنا، انطلاقاً من إيماننا العميق بأن لغتنا ليست وسيلة تواصل فحسب، بل وعاءاً للهوية، وجسرٌ يصلنا بماضيها العريق وحضارتنا الزاهرة. لقد كان هذا العام مليئاً بالإنجازات التي نفخر بها في قسم اللغة العربية؛ من إطلاق مبادرات قرائية ومسابقات إملائية وخطائية، إلى تنمية مهارات الكتابة الإبداعية لدى الطلبة، وتفعيل المناسبات المرتبطة بالهوية واللغة، مثل اليوم العالمي للغة العربية. كما عملنا جاهدين على تعزيز مهارات التفكير النقدي والتحليل اللغوي، بما يتماشى مع رؤية المدرسة الفنلندية العمانية التي تمزج بين الأصالة والتجديد. إننا نؤمن أن اللغة العربية قادرة على مواكبة كل جديد، وأن أبناءنا وبناتنا هم حملة مشاعلها نحو المستقبل. فشكراً لكل من ساند مسيرة القسم، من إدارة ومعلمين وأولياء أمور، ونعدكم بمزيد من العطاء في الأعوام القادمة

This year has been a truly memorable journey as an English teacher for the secondary students. From lively classroom discussions to those quiet, powerful moments of growth in writing and expression, I've been continually inspired by the resilience, creativity, and character of our learners. One of my favorite memories is seeing students take risks in their writing—finding their voice, embracing feedback, and proudly sharing their work. Moments like these remind me why I chose this path.

MS.DOHA

# Grade9

What a year it's been! You've shown incredible strength, growth, and adaptability in a time of transition and preparation. Grade 11 is a big step – it's where things get real, and where dreams start to take clearer shape. And through it all, you've continued to rise. I've seen you take on challenges, speak up with confidence, push your boundaries, and discover more about who you are and what you're capable of. Every moment – the laughs, the lessons, even the late deadlines – was part of a bigger journey. You're not the same people you were at the start of this year. You're wiser, more focused, and more ready for the road ahead. And that road – your final year of school – is just around the corner. Take everything you've learned, and step into Grade 12 with purpose, pride, and the belief that you are capable of something extraordinary.

A year of making choices, asking big questions, and preparing for the next step in your journey. I've seen you grow into young adults with ambition, kindness, and a deep sense of purpose. You've carried responsibilities with strength, led with quiet confidence, and left your mark in ways big and small. Whether through your words, your actions, or the way you showed up each day — you made this year unforgettable.
